To Whom It May Concern:

The above-named claimant is under our care for medically necessary physical therapy services. They were notified in advance that we are not enrolled as a Medicare provider and are out of network with ALL health plans. We have provided the claimant with a statement to submit at their discretion for claims the supplemental policy covers. Since we are not enrolled as a Medicare provider, these claims have not *and cannot be* submitted to Medicare to obtain a denial before submitting the claims to the supplemental plan.

If you have any questions, please feel free to call us at 413-519-4849
